## 25,000 Reward For Capture of Mysterious Mr. Raffles Saturday

NOTORIOUS AMATEUR CRACKSMAN EXPECTED IN ST. CLOUD NEXT SATURDAY, MAY 3

## At Gold Card Stores

ANYONE CAN CAPTURE HIM AND WIN REWARD OF TWENTY-FIVE THOUSAND GOLD CARD VOTES

Twenty-five thousand reward. No, no, not dollars, but VOTES IN THE GOLD CARD CAMPAIGN now being waged in St. Cloud.

The Tribune has received word that the MYSTERIOUS MR. RAFFLES, the notorious amateur cracksmen, will be in St. Cloud next Saturday, May 3. The 25,000 votes will be given to the person who identifies and captures Mr. Raffles. Anyone can capture this notorious and nefarious night marauder, it does not have to be one of the contestants, but he must be captured in a particular way.

Mr. Raffles will be on the streets of St. Cloud all day Saturday, May 3, up to six o'clock. To capture him this must be said to him: "You are the mysterious Mr. Raffles who will give me 25,000 Gold Card Votes," and also the person to capture him must have a complete copy of this issue of the St. Cloud Tribune in his or her hand. If the right words are said to him he will immediately give himself up and hand over an order on the Tribune for 25,000 Gold Card Votes.

Mr. Raffles will visit the various stores in the Gold Card lot, and to stimulate the interest in capturing Mr. Raffles, an additional 10,000 votes will be given by the store in whose place of business Raffles may be captured. This order to be issued by the owner or manager of the store that Mr. Raffles is discovered in, to be turned into the Tribune for issuing the votes.

Mr. Raffles will be visible to all, and every person has the same chance of capturing him and all contestants are urged to get all their friends and Saturday to help "push" him. Don't overlook anybody in the hunt. A member of your own family might be the man wanted or your next door neighbor, or on the other hand, he might be a complete stranger and a newcomer to the city.

The Cottrell Grocery and Filling Station on Carolina avenue and Tenth street will be visited about nine o'clock Saturday morning by Mr. Raffles and from there he will wander along to the Park Grocery on Eighth street, across from City Park, where he may make a purchase. From there about 9:15 o'clock he will be looking in the windows of Zimmerman's, and will give the Men's Shop the once over. On the way along Tenth street he will sample ice cream at the St. Cloud Ice Cream Factory and chat with the Messengers next door about the price of groceries. He will visit the Progressive Garage at Tenth street and Florida avenue before he comes down to Haymaker's DeLuxe Market and Grocery to see if anyone will discover who he is.

After a look into Hartley's Hardware store Mr. Raffles will come around to Percy's Barber Shop for a shave, and after that will call on Pike's Studio for a sitting of pictures, where he will receive double tickets in the Gold Card Campaign. Completing his sitting for pictures, Mr. Raffles will visit Wright's Market next to the postoffice and order a roast for Sunday dinner. Back up Eleventh street Mr. Raffles will visit the St. Cloud Drug Store and inspect the health foods handled by that store. He may drop into the Variety Store next to Todd's Drug Store and ask the price of some furniture. Coming west along Eleventh street Mr. Raffles will try to fool McKay his old stove because he found after cooking such things as needed but a few months' use.

### MASS MEETING

A mass meeting of all citizens will be held at G. A. R. Hall Tuesday evening, May 6th, at 7:30 p. m. at which a report of the publicity campaign will be given and action taken whether or not it will be further continued. No donation of any description will be asked. Every citizen interested in the future of St. Cloud is urgently requested to be present.

R. W. POPE, Vice Chairman.

## Methodist Conference Closed Sunday Night

APPOINTMENTS OF BISHOP FOR NEXT YEAR ANNOUNCED AT CLOSE OF SESSION SUNDAY EVENING—ST. CLOUD TO HAVE NEW PASTOR—REV. ANDREWS SENT TO ST. PETERSBURG

The forty-fourth annual conference of the Methodist Episcopal church passed into history Sunday evening with a brief business session after the vast audience had listened for more than an hour to an interesting address on China, delivered by Bishop Frederick T. Kenney, who had returned recently from missionary work in the Orient.

Bishop H. Lester Smith, of Chattanooga, Tenn., who had presided at all of the sessions of the forty-fourth conference, announced the appointments of pastors for the churches in the Jacksonville and Miami districts of the Atlantic area. The list showed but few changes in the assignments for the coming year. However, a new pastor was sent to St. Cloud, Rev. J. A. Pickard, of Kudos, while Rev. O. M. Andrews, who has been here for the past three years, was assigned to the Community church of Allendale, St. Petersburg district.

The list of appointments and official minutes of the last five days session of the conference is given in full below:

### Third Day—Third Session Thursday, April 24

Opening—Bishop Smith asked the congregation to sing Hymn No. 19, "Come Thou Fount of Every Blessing"; also No. 355, "Love Divine—All Love Excelling." He then read a portion of 2 Corinthians 12 and delivered an impressive though brief address on the secret for safeguarding the outcome of human endeavor. He said: "It is comparatively easy to anticipate

results in a laboratory but not in humanity. A person does not himself know what he is going to be the result when he puts himself into a situation. Paul found the secret for safeguarding the outcome in human life. It helped him meet adverse circumstances and to rise above them, even till they contributed to his advancement. Others since Paul have done the same. It is a power that comes from God."

Journal—The secretary read the journal of the previous sessions of this annual meeting. With minor alterations it was approved as read.

Introductions—The following persons were introduced to the conference by the bishop: A. E. Smith, Ohio Conference; R. T. Jackson, Newark Conference; N. B. Tranchell, Pittsburgh Conference; John L. Wynn, North East Ohio. Men who have been transferred into St. John's River Conference during the year were formally presented to the conference by the bishop: H. H. Conklin, I. Frank Bond and Willis J. Layton.

Question Two—"Who have been received by transfer, and from what conference?" was called. Willis J. Layton, New England; Elmer C. Dewey, Detroit Conference.

Stannate Report—On motion of D. H. Rutter, L. H. Stannate was requested to abbreviate his report of yesterday and present it to the secretary who would prepare it for publication in the minutes.

Question Sixteen—"Who have been transferred and to what conference?" was called. C. S. Robertson, New York (Continued on Page Three)

## Last Week of Gold Card Campaign; Ends Wednesday 7th

ALL VOTES AND SUBSCRIPTIONS TO BE DEPOSITED IN BARREL AT MILLARD'S PHARMACY ON LAST DAY OF CONTEST, TO BE OPENED ONLY BY JUDGES WHO WILL ANNOUNCE THE WINNERS

## Read the Instructions

NOW IS THE TIME FOR ALL CONTESTANTS TO RALLY THEIR FRIENDS AND GARNER ALL VOTES AVAILABLE—SATURDAY THIS WEEK TO BE BIG FOR STORES AND NEW SUBSCRIPTIONS

The last week of the GOLD CARD CAMPAIGN has started and ends at 9 o'clock next Wednesday night. This is the final date and time for contestants to turn in their votes and subscriptions. The final offers as announced in this issue of the Tribune extend to that day and time. Read the offer very carefully and note well that each and every Adv. Card turned in by the final closing must be accompanied by 1,000 GOLD CARD VOTES obtained by trading at the Gold Card Stores, in order to get the extra votes on the Adv. and Job Cards.

Beginning Friday morning candidates may make their report daily on all advertising cards issued and receive their vote certificates therefor, and a final report on subscriptions must be made to the office of the Tribune before 5:00 p. m. Tuesday, May 6. After that date all votes of any nature will be placed in the barrel at Millard's as stated.

Wednesday morning of next week, when subscriptions or advertising cards or merchants votes are to be placed in the barrel at Millard's each subscription or advertising card stub must be accompanied by the amount or check covering the same, and be placed in a strong envelope, sealed and with the name of the candidate for whom the votes are to be counted written plainly on the outside before being placed in the barrel. All votes should be securely tied in snags and plainly labeled with the contestants name before being placed in the barrel. All votes not turned into the Tribune office before 5:00 p. m. Tuesday, must be placed in the barrel by 9:00 p. m. Wednesday, May 7, in order to be counted.

The race is scolding hot. All the contestants are on their toes and have marshalled all their friends to put them over during the final period. Votes are being called for by the merchants and they are putting out with purchases at a lively clip. The city and county is being soured for subscriptions and nothing is being left undone by any contestant.

Now is an excellent time for all the contestants to rally their friends and all go on a "buying spree." All the re-opening stores are offering excellent values in their different lines of merchandise and CASH is what the merchants need. Buy now what you need for future needs, get your votes

## Independent Merchant Association To Hold Open Meeting

Following an enthusiastic meeting of members of the Independent Merchant's Association of Osceola county, held at the Hunter Arms hotel in St. Cloud Monday evening, announcement is made that the association will hold a public meeting at the community club house in Kissimmee on Tuesday evening of next week.

A fine program of public speakers and entertainment has been arranged and every citizen of Osceola county is cordially invited to be present. The regular business session will be held as usual at Kissimmee Monday evening, when the final touches to the program for Tuesday will be made.

At the meeting here Monday evening there was an equal number of business men from both St. Cloud and Kissimmee, and some interesting talks were made. Especially good was the brief talk of Sam Lipper, Jr., who handed out some sound advice to the merchants of the county in undertaking the campaign now contemplated.

L. H. Gedge, cashier of the First National Bank of Kissimmee, presided over the session here, and gave some valuable information about the work of the organization.

when you pay over the cash and give them to your favorite contestant. Be sure and ask for your votes when you buy and pay for your merchandise.

If a new Ford is contemplated, the St. Cloud Motor has them in every style. Get a new Ford for your trip north this summer. Then if you want gas for it or any other car, Cottrell's, Meeker's and Coble's filling stations can fill up your tank and sell you all the oil you need. And so can the St. Cloud Motor Co. They all have plenty of excellent quality. It is said.

Now for groceries, if you just need a loaf of bread or want to stock your larder complete, Mallory's, Haymaker's, Cottrell's, Park Grocery, M. & M. Store and Ship's 50-50 Grocery can all fill your needs and still be sure and treat you right.

If you want a suit of clothes or a new dress or a pair of shoes, go to a good fit at the right price or if you need a dress or some piece of goods, Zimmerman's or Persons can take care of you in excellent style.

If it is hardware you need the Hartley's Hardware have been displaying some good looking aluminum and they have an excellent line of fishing tackle and they do say they are biting fine now. If your car needs attention in any way the Meeker's, Coble's or the Ford Motor Co. are well equipped to do the work and all kinds electrical work is efficiently performed by the Hill Electric Co.

Percy's Barber Shop will cut your hair or shave you and the Millard's Pharmacy will take care of all your needs in the drug line.

Every loaf of St. Cloud Fairy Maid bread will contain vote coupons of from 25 to 100 votes until the end of the campaign. There is a chance to do some good vote getting. Have all your friends insist on St. Cloud bread. Blackshear is giving double votes at his studio and the St. Cloud Motor Co. gives double on tires.

So marshal and line up your friends and supply your needs for now and the future. Get your votes while and where you can and then what is not returned to the Tribune by Tuesday evening, drop in the barrel at Millard's on Wednesday up to 9:00 p. m.

One of the contestants is going to get the fifty Ford roadster and some other is going to get the fine radio on display at Hill & Co. electric shop, while another will get the merchandise order on Persons and the last one will get the fine watch at Seymour's.

## DEBATING TEAM INVITED TO OKLAHOMA CITY

A formal invitation was received this week by the local high school debating team to represent the smaller high schools of Florida in the southern debating tournament at Oklahoma City May 29 and 31. Each of the southern states will have two debating teams at this contest. One school representing the larger schools and one the smaller schools. Since St. Cloud was the last small high school remaining in the state tournament we have been invited to represent the smaller schools of Florida.

The school authorities have given their permission for the debaters to go. Therefore, the only obstacle impeding the debaters at the present is the necessary funds to finance the trip. Since there is no admission charge to the debates it is necessary that each team defray its own expenses. It is hoped that satisfactory arrangements may be made for this

important impediment and that the team may go.

The entire student body joins in congratulations to the worthy students for this honor that has been bestowed upon them and sincerely hope that they may go and win the championship of the small school of the south. We surely have two worthy students representing the school in Miss Madeira Rodé and Mr. Jay Johnson.

## SOPHOMORE NOTES

We were very sorry to lose Joyce Harriman who started north Saturday.

We are sorry to hear Joel Keen has the measles. We hope he will soon be with us again.

Among the dialogues written for sophomore English class Friday this was one of the best. It was written by Joyce Harriman.

## SOPHOMORE ENGLISH CLASS

By JOYCE HARRIMAN

Dialogue on a Progressive Club between a Progressive Thinker and a Common Working Man.

Prog.—Sir, do you not wish to join our Progressive club?

W. Man.—The topics discussed in a club of that sort are too deep for me to understand. I don't want to spend my evenings listening to a leading Zionist, an Arab, or a critic of Russian drama lecture.

Prog.—But do you not see the value of such a club? You are better informed in the leading topics of the day. Our South American relations or the war over the Manchurian Railroad for instance.

W. Man.—Yes, yes, I know that, but what do I care?

Prog.—Everyone should be familiar with these topics.

W. Man.—Oh, well—

Prog.—Take our debates for instance—

W. Man.—Yes, I have listened to your debates. You know I always made my decision before I go and hear the arguments. It doesn't make any difference to me how eloquent the speaker may be.

Prog.—Well that is just what I am trying to say. Our Progressive club is

broadening its members. In the Palestine situation we were given an opportunity to hear both sides of the question. One of the leading Zionists, a man thoroughly informed on the Jewish side of the question, presented his argument. Next we had the opportunity of hearing a noted Arab, the author "The Making of New Arabia" and an advisor of the Arabian government present the Arabian side.

W. Man.—What good did this do you? You do not live in Palestine or have anything to do with the British government enforcing her treaty.

Prog.—I can easily answer your question. In most important questions I have only learned the truth about one side. Now I have been given the opportunity of hearing both sides of the question. I can then go home and think the matter over and decide which I think is the better. This teaches me to become a thinker.

W. Man.—Yes, I think I begin to understand you better. You consider the ability of being able to think very important. I agree with you, but what good does it do a common working man like me?

Prog.—All people need to think. One must think in all the paths of life. Our club has no one from becoming a member. We have college professors, lawyers, doctors and working men like yourself. You know we are going to have a topic next Sunday about "Old Age Pensions."

W. Man.—Did you say the meeting began at eight o'clock? Well, I'll meet you at Carnegie Hall then.

## THE LATIN PICNIC

On Friday, April 25th, the Latin classes had a picnic in honor of Joyce Harriman who went away the next day. The members of the classes motored to the end of the Pinky Villa road. After wandering about, they found a fallen tree. Among the branches of this tree stories of all kinds were told by different members of the group. After some little trouble in getting a long, pliable grape vine, the party held a grape vine jumping contest.

A picnic supper was served. Crude wooden implements, invented by Billie Kinney on the spur-of-the-moment, were used as spoons.

Those present were: Joyce Harriman, Mildred Maxwell, Ina Johnson, Margaret Livingston, Chancy Nell Coleman, Florida Madison, Ruth Browning, Pearl Carr, Evelyn Scott, Robert Steen, Billie Kinney, Richard James and Almon Daniels. As Miss Campbell found at the last minute that she could not go, Miss Adams kindly condescended to chaperon the class.

## THE FRESHMEN PROGRAM

Last Friday the freshmen class presented the Kitchen Orchestra in a musical romance entitled "The Glory of Love." The heroine was "Annie Laurie"; the hero, "Solomon Levi." They met at "Aunt Diana's Quilting Party." After they had said their farewells at the party, they rode out over the snow with "Jingle Bells," and Solomon pledged "Always." Solomon had to go back to Scotland to see "The Bone Bells of Scotland." During the voyage back to "America" the ship orchestra played "Yankee Doodle." When Solomon met Annie "Comin' Thru the Rye," he asked her "Where is My Little Dog Gone." Solomon and Annie made a trip to "Beautiful Ohio" and, after the "Wedding March" was sounded, they were married in "The Little Brown Church in the Vale." The last number on the program was "Good Night Ladies," during which all member of the orchestra went to sleep.

Features of the program were: A duet, "Always," by Chancy Nell Coleman and Sam Barber, and "Carry Me Back to Old Virginia" by the Ten-Kettle Quartet. During the "Wedding March," Cecelia Brooks and Richard James, as bride and groom, walked across the stage. While the orchestra played "Where is My Little Dog Gone," Marjorie Hooker searched the stage for the dog. When she came to Madame Mont Grinder, she displayed a string of winners.

The members of the orchestra were: Madame Churn-dasher—Mildred Brown.

Madame Mont Grinder—Lois Hatch.  
Madame Stove Pipe—Ruth Browning.

Madame Fannel—Florida Madison.  
Madame Corn-popper—Louise Sullivan.

Madame Saucepan—Nellie Adams.  
Madame Saucepan—Marjorie Hooker.  
The "Ten-Kettle" Quartet—Virginia Simmons, Albert Barber, Richard James and David Lang.

Monsieur Skillet—Charles Braummar.

The Drum Major—Roger Coryell.  
Madame Kitchen Cabinet—Plandi, Chancy Nell Coleman.

Monsieur Kitchenette—Director, Almon Daniels, Betty Mitchell accompanied the orchestra on the piano.  
Any Guy was the reader.

Letters to the Editor

Editor of the Tribune:

Gentlemen:

As a matter of right and justice the  
state of Florida should refund to Os-  
ceola county the \$275,000.00 which we  
paid towards state road No. 24. This  
is a state road with federal aid. We  
voted the \$275,000.00 for that purpose  
but the road should have been built  
at state and federal expense. This  
money was voted in April 1929 and  
even up to this time this road has not  
been completed although over 2,300  
has now been rock and the other  
1/3 ready for rock and contract will  
be let immediately and road completed  
by about September 1st.

If elected as the representative from  
this county I will do my utmost to try  
and get the state to refund us this  
money for exclusive use in paying  
interest accruing on \$2,000,000.00  
bonds. If I succeed this will save 16  
mills for 1931, 16 mills for 1932 and  
4 mills for 1933. With taxes up to  
bear the breaking point this will be  
a big burden lifted off the shoulders  
of our taxpayers. In the next three  
years, a time when we must have tax-  
ation relief.

Since January 1929 when the new  
administration went into power at  
Tallahassee I have consistently worked  
for the completion of this road, leav-  
ing no stone untouched, and within  
that space of time you see that the  
following has been actually accom-  
plished:

1. Bridge contract let and bridges  
finished.

2. Contract let and road completed  
from Kissimmee to cemetery.

3. Contract let and rock laid and  
road practically completed from Ash-  
ton to Holopaw.

4. Contract let and most of rock laid  
and road under construction from Ash-  
ton to and through the city of St.  
Cloud.

5. Bridges completed and contract  
to be let and road completed soon from  
Holopaw to Breard county line.

6. State agreed to, just in extra  
width, curb and gutters, at their own  
expense, costing from \$50,000.00 to  
\$40,000.00 through the city of St. Cloud  
on Thirteenth street.

7. State agreed and work has started  
on the 2,300 feet connection at  
Ashton to connect the present Nar-  
cissus road with the new state road  
No. 24. This a saving of approxi-  
mately \$5,000.00 to the taxpayers of  
Osceola county.

8. State has taken over the main-  
tenance of the present Kissimmee-St.  
Cloud road at an annual saving of  
approximately \$5,000.00 to our tax-  
payers.

I do not take, nor am I entitled to  
all the credit for this, for I have been  
supported by the county commissioners  
and many good citizens of Kissimmee,  
St. Cloud and Holopaw. Whenever  
called upon they have backed me up  
and willingly aided in the fight. I  
expect to continue to fight for what  
I think is right and will never rest  
until this road is finished and we ob-  
tain our refund of the \$275,000.00.

Yours very truly,

J. W. STEED

CARD OF THANKS

I wish to thank those who were so  
helpful to me during the illness and  
death of my husband, for the beau-  
tiful flowers that were sent, for the  
loving letter I received, those who sang  
so sweetly, the pall bearers, the  
G. A. R. boys, Mr. and Mrs. Eldestein,  
the kind words of Mr. Stoddard, the  
W. R. C. and the Daughters.

MRS. JOSEPHINE PERKINS

Miss Mabel Taft left Tuesday for  
West Farmington, Ohio, accompa-  
nying the body of her step-father, the  
late Hubbard Jay, to that city for in-  
terment. Miss Taft expects to return  
to St. Cloud next fall.

### F. E. PHILPOTT REAPPOINTED TO MISSION FOR THE DEAF

F. E. Philpott, St. Cloud

Reappointed as superintendent of the  
Mission for the Deaf of the St. John's  
River Conference by the bishop at the  
closing session of the forty-fourth an-  
nual session held in St. Cloud last  
week.

Now that the conference has voted  
to provide the mission with a car,  
the transportation problem is solved.  
The addition will enable the mission  
to make more frequent trips than it  
did in the past. Mr. Philpott will  
be ordained as elder at Tarpon Springs  
in April, 1931, if he passes the tests  
required by the official board of the  
conference.

Heretofore, Mr. Philpott has at-  
tended meetings for the deaf through-  
out the St. John's district, furnishing  
transportation at low cost to the mis-  
sion and the good work accomplished  
has merited the support afforded at  
the recent conference.

Saturday at four o'clock in the after-  
noon by Messrs. Geo. M. Richard and  
John Johnson for a motorcade with  
the former as pilot and the visiting  
members of the clergy as honor guests.  
The motorcade, made up of approxi-  
mately twenty-five cars, left the  
Methodist Episcopal church at half  
past four on a tour of the city proper,  
the east lake and the residential sec-  
tion and along the new highway skirt-  
ing Alligator Lake before finally reach-  
ing Pine Grove Park. Many expressed  
wonderful beauty of the lake.

From the time the procession ar-  
rived until its return home, the park  
was overflowed with a merry crowd of  
about one hundred clergymen, their  
wives, sweethearts and friends who  
enjoyed temporary relief among the  
pines from conference attendance. Dr.  
D. H. Rutter acted as chairman of  
ceremonies and arranged a short pro-  
gram which proved to be a real delight  
to those present.

After playing a few games of shuffle-  
board and exchanging rounds of  
reminiscence, a symposium of  
theology and grace offered by Rev. E. L. Pierce,  
of St. Petersburg. The long table,  
laid with rolls, viennas, pickles,  
doughnuts, hot coffee and ice cold  
drinks, was cleared up in a very short  
time. A. H. Helms, A. S. McKay, L.  
F. Zimmerman, N. C. Trout and E. L.  
Mix offered services as waiters and  
they proved themselves efficient. As  
a most fitting climax to the occasion,  
ice cream (donated by H. W. Black-  
shear) was served a plenty, many of  
the partakers helping themselves to a  
second or third dish. The entertain-  
ment was declared to be the best ever  
given the ministers attending a con-  
ference session in Florida.

The incoming and outgoing trip was  
made over a greater part of the new  
highway, and the smoothness and the  
wide space of the road was favorably  
commented on by the visitors. The  
happy crowd arrived in time to attend  
the evening address of Prof. C. M.  
McConnell on "World Service" at the  
Methodist Episcopal church.

Messrs. Richard and Johnson ex-  
press their appreciation of the assist-  
ance rendered by the above-named gen-  
tlemen, through whose efforts the  
success of the motorcade was made  
possible.

### AMERICAN LEGION NEWS Post No. 80

The Junior baseball teams are com-  
ing along fine, practicing every day  
the weather is fit.

A number of legionnaires from St.  
Cloud attended the legion meeting at  
Kissimmee Tuesday night to discuss  
the possibility of securing a home for  
the two posts, also to plan for a sub-  
street show to be put on by the two  
posts to show in Kissimmee, St. Cloud  
and Kennesville in the near future.

All legionnaires and others who  
love to dance to real music are look-  
ing forward to an extra time at the  
dance that is to be given at the boat  
house Thursday night by the Ameri-  
can Legion Auxiliary, as they have  
employed on of the best orchestra ob-  
tainable. If you don't dance, come  
anyway and watch the real dance and  
listen to the music.

The American legion here has a  
county committee composed of two  
delegates from each post to coordinate  
the work of the two posts in their  
participation in the celebration of the  
various holidays and their other work  
of community service—such a relief  
work in times of storms or other dis-  
asters. Roy Cottrell and L. E. Trickle  
were elected as delegates from the St.  
Cloud post and W. J. Stead and Mr.  
Tennison were elected delegates  
from Kissimmee post, so having four  
"live wires" on the job we can expect  
to see things move along nicely.

Don't forget the dance Thursday  
night at the boat house.

## DEMOCRATS

It is very important at this time that you study the character and fitness of the various candidates seeking nomination in the coming June Primary.

It is necessary to nominate men, or women of ability, who are willing to practice the most rigid economy with the county funds if we hope to have our party win at the general election next November.

If none of the candidates for any particular office meet with your approval, busy yourselves with your friends and get a man who in your opinion, is well qualified, to announce.

May 8th is the last day for candidates to qualify before J. J. Johnston, Secretary of Democratic Executive Committee in his office at St. Cloud. Registration books close May 1st and May 17th is the last day for paying poll tax if any be due for 1928 and 1929. The Democratic Primary will be held June 3rd. May the best man win and may we all abide by the will of the majority of our party the following November.
